10th April 2018

Dear Parents & Caregivers

As you are aware, each child in Pihinga has had a free three week trial of the Reading Eggs app. The children have been engaged when working independently on this programme and have really enjoyed completing reading and spelling activities to earn eggs and points for their avatar.

Sadly, this free trial is due to end on the 13th April. If you would like to continue this app for your child then you can pay the \$34.70 cost through Kindo. This will entitle your child to Readings Eggs for the rest of the year to use at school and at home on your Apple and Android devices.

This price is discounted by being purchased through the school as the regular price is \$79.99. The teacher's have found Reading Eggs to be well aligned with the curriculum and easy for the children to navigate around independently.

If you have any question, please come and see Nic in Pihinga 5.
