

Potato Growing Competition!

Last days to join in the fun!

Competition closing this Friday!

If you would like to participate in the Enviro team's Potato growing competition for 2018 then please come and see us by Friday 31st August. One of the First place prizes is a \$50 voucher from Mitre 10 Mega. There is also plenty of spot prizes to give away too!

If you would like to join in the fun, then see a member of the Enviro team or Mrs Green before or after school out near the willow tree. Only \$5 to enter and you will get a seed potato and a bag to grow it in. If you have never grown a potato before, now is a good time to try, instructions included with the seed potato!
