Kia Ora Year 5 Whanau,

## **YEAR 5 St JOHN IN SCHOOL FIRST AID PROGRAMME**

Next week Mahuri ākonga/learner are engaging in a Health programme. The focus for the Year 5's is First Aid. St John in Schools educators will be coming in on Monday 3 December to run a morning programme with Year 5 ākonga. This programme aims to provide young people with the skills and knowledge to take responsibility for their own health and well-being and the well-being of others. The St John in Schools programme provides learning experiences for ākonga to empower them to act in an emergency. Following on from this, we will be looking further into Staying Safe, Helping Save Lives and Community Action through a variety of learning experiences in our hubs.

As St John's is a non-profit community organisation, we are asking for a donation of \$2.50 per student towards their time, resources and St John. If you would like to support St John, please donate via Kindo by **Friday 30 November.**

Thank you for your support.
