Kia Ora Whānau,

ST JOHN IN SCHOOL FIRST AID PROGRAMME

Next week St John in Schools educators will be coming into our team on Wednesday the 5th of December to run a first aid programme with our Pihinga team. The focus for this day is how to respond in an emergency. This programme aims to provide young people with basic skills and knowledge to feel confident in how to respond in an emergency if they were to ever need to know. St John educators use fun and interactive activities to share this knowledge with the children.

As St John's is a non-profit community organisation, we are asking for a donation of \$2.50 per student towards their time, resources and St John. If you would like to support St John, please donate via Kindo by **Friday 30 November.**

Thank you for your support.

Ngā Mihi,
The Pihinga Teachers.
