Dear Parents/Caregivers,

“He waka eke noa- we’re all in this canoe together”.

Thank you for your response to our recent communication in regards to a possible marae visit. We are pleased to advise that whānau support for this has been very positive and we will go ahead with a visit to the Tuahiwi Marae. This event will be in Term 2. We will advise of the date once it has been finalised.

To celebrate our learning this term we will be having a whole team Wānanga in the hall where ākonga will be participating in traditional Māori games, singing and having shared kai. The day will finish with our usual end of term learning assembly that parents and caregivers are invited to attend at 2pm. This will be held on Tuesday 9th April.

For the last few weeks of school we also invite all children who have cultural heritage from another country to bring in items of interest and cultural importance to share in their homerooms. If you have any questions please discuss this with your child’s home room teacher.
