Kia ora Mahuri families,

## Mahuri Matariki Breakfast

As some of you may know, Matariki is the Māori name for the cluster of stars that are visible during mid-winter. For many this also represents the start of the Māori New Year.

In Mahuri we will be learning about Matariki, and recognising this as an important cultural event in our country. As a part of our studies we would love to have a shared breakfast here at school, as sharing kai is a significant part of the festival of Matariki.

Mahuri students are invited to come to a Matariki shared breakfast in our Mahuri Hui space on Friday June 28th at 8.30am.

We will be providing toast, cornflakes and rice bubbles for the children to enjoy together.

Ngā mihi nui,

Mahuri Teachers.

Whiria te tangata - Weave the people together
