16 February 2021

Dear Parents/Caregivers,

Year 7/8 Technology Fee

This year our Turepo students are attending Technology every Thursday at the Maukatere Centre at Te Matauru. Year 8 students are spending a full day at the centre over terms 1 and 2 followed by the Year 7 students in term 3 and 4. Over the two terms, students will be engaged in learning experiences involving Hard Materials, Soft Materials, Food Technology, Digital Technology and Programming and Design. These classes are hands-on where your child will learn different skills to make a variety of products.

Students will be producing items that can be taken home upon completion. The cost of the materials to produce these products is \$68.70 per student for the year. This is now payable via Kindo until Friday 26 February 2021. Payment is required to enable your child to take their products home.

We anticipate that your child will enjoy their time at Technology and enjoy the new learning experiences.

Yours sincerely,

Jo Keane
Deputy Principal
