

Thursday 19th August

Dear whānau

We hope you are all safe and well in your bubbles, and that you have been able to enjoy some sunshine today.

As a school we have already started planning for what next week and beyond might look like:

Level 4 - School is closed. Online learning available.

Level 3 - School is open ONLY for children of ESSENTIAL WORKERS who have NO OTHER OPTION for child care. Online learning will continue.

Level 2 - School is open for students and staff only. Parents and other visitors are not permitted on site unless special arrangements have been made. Online learning will not be available.

Essential Workers Only

To assist us in preparing IF we move to Level 3 we are asking that essential workers who have no other child care option **email me directly**, (leon@ashgrove.school.nz) **before lunch time on Sunday 22nd August** with the following information:

- Your name
- Your children's names and year level
- What your essential role is
- Hours and days of work

All other students will remain at home and will engage in online learning.

Please note that at this stage we are contingency planning only, and when we know more we will let you know too.

Thanks so much for your continued support, remember:

He Waka Eke Noa - We Are All In This Together
