

Kia ora koutou katoa

Not quite the outcome we probably wanted today with staying in Level 4, but probably the best for all of Aotearoa.

I just wanted to say we are thinking of all our wonderful students and their whānau. We hope you are all well and being of great help around your homes, nothing like a couple of extra pair of little hands to get chores done (well that is what I'm saying to my two anyway!).

A massive thanks of course to Mr V, the management team and our awesome Ashgrove staff. We are forever grateful and impressed with how quickly you can adapt and be flexible with having to go to home learning.

Take care everyone and we are sending this with all our best regards,

Ngā mihi nui on behalf of the Ashgrove School Board

Megan McNay
Board Chair
