---

Wednesday 26th January 2022

Greetings to our wonderful school community.

As promised, please find attached to this letter, a detailed infographic around what Ashgrove School will look like at RED.

One of the main changes is mask wearing to protect immunocompromised students and staff. As you will be aware, masks are mandatory for students in Year 4 and above. As Tipu is a combined Y3/4 learning hub, we are encouraging the wearing of masks by our Year 3 students.

We are aware that many of you may be feeling anxious about the return to school, and I want to reassure you we have a raft of measures in place to best manage the situation at hand, following advice and guidance from the ministries of Health and Education.

We really appreciate your support and understanding as we work through this complex time, and we also appreciate your flexibility. The Ministry has advised us to expect change and new information as it comes to hand, and we will keep you updated of these changes as soon as we know about them.

Again, we thank you for your support, and we are looking forward to welcoming our students back to school on Monday.

Please feel free to contact me if you have any questions around any of the above.

Ngā Mihi

Leon Van't Veen - Gibbon
