Tēnā koutou Ashgrove whānau,

## **Phase 3 COVID-19 Update**

At this point in time we are pleased to report we have NO confirmed cases of Covid-19 in our school community. However we are wanting to outline our Phase 3 response plan to you in more detail.

So you are aware, although we are no longer required to let our community know if we have positive cases in our school, we **will** notify you as we are committed to keeping you fully updated regarding any positive cases that emerge. This is so that you have all the information and can make the best decision for you and your whānau.

In turn, you are required to let the school know if your child or a household contact are a confirmed, positive case by phoning 022 397 2671.

At all times, information regarding specifics about positive cases (names and details) are **confidential** to myself and immediate staff. In our communications via Hero and the School App we will only share that we have a positive student / staff case and in which team.

### **Supporting Learning at Home for Households Isolating**

If you have a positive case in your household and are required to isolate, you can choose to request a hard copy learning pack and / or access learning from the Ashgrove School Home Learning Website.

Hard packs are only available for households who are isolating. If you choose to keep your child / children at home as a precaution only, your child can access learning from the Ashgrove School Home Learning Website.

## **Hybrid School**

In the event that a large number of students and/or teachers are absent from school, learning may shift to 'Hybrid' school - some hubs will be learning onsite at school while other hubs will be learning at home via Seesaw or Google Classrooms and the Ashgrove School Home Learning Website. Hard copy learning packs **will** be available upon request for students who are learning from home and cannot access a device to engage in online learning.

Thank you for your continued support and understanding as we navigate these uncertain times. Should you have any questions, please feel free to contact me - [leon@ashgrove.school.nz](mailto:leon@ashgrove.school.nz).
