## MASK WEARING

The Ministry of Education and Ministry of Health strongly recommend that schools amend their mask policy for the first four weeks of term to require mask wearing in all indoor settings. **Masks are strongly encouraged from Years 4-8.**

Whānau are welcome on site **with masks**. We ask that parents/caregivers do not enter any learning spaces.

We are usually available before and after school if you have a question or information to let us know. We do ask however that if you need more than a few minutes that you make a time to meet with your child's homeroom teacher.
